

Experience Paper- Template

This is an example template, to give RCOs and idea of what an Experience Paper will involve. If you want to deliver an experience paper, please read the 'Experience Paper Opportunity' document and apply as explained.

Background information about the RCO (100 – 200 words)

Name of RCO

Number of years established

Client group

Summary of activities

Briefly describe the experience you wish to focus on in this paper. Remember the Experience Paper should focus on a specific piece of work, related to the theme 'Building Community Resilience' (150 – 250 words)

Describe what your RCO did, and what came out of this (the positive and negative impact of the work) (200 – 300 words)

What problems and barriers did your RCO face in doing this, and how did you overcome or try to overcome these? (150 – 250 words)

If your RCO accessed any support to help you with this area of work, describe this support and whether it was helpful to your organisation (up to 250 words)

What are your tips for other RCOs considering doing something similar? (150 – 250 words)

Are there any documents that you developed in doing this work that your RCO would be willing to share with others (for example a policy or procedure, or a project plan)?

Yes No

If yes, please describe what it is

Would your RCO be interested to be involved with other activities to share learning in this area, for example training or events?

Yes No

If yes, please describe any particular ways you would be interested to share learning
